

COURSE CONTENT

Course:	ECITB CCNSG Safety Passport Test Only Renewal
Course cost:	£75.00 + Vat per person
Course duration:	1-2 hours
Course aim:	To conduct a multichoice test to demonstrate knowledge of how to work safely on site in a range of engineering and construction environments.
Pre-requisites:	The candidate must be in possession of a CCNSG Safety Passport which has not exceeded 3 months expiry to attend the renewal course.
Course content:	No course material is presented. This is a test only option, suitable for those who have continually maintained and demonstrated their knowledge in a practical setting since achieving the Safety Passport.
Course ratio:	1:1 Minimum. 16:1 Maximum.
Period of certification:	3 years dependent on successful completion of tests.
