

COURSE CONTENT

ECITB CCNSG SAFETY PASSPORT RENEWAL - TEST ONLY

Course duration: 1 – 2 hours
Course ratio: 1:1 minimum. 16:1 maximum
Recertification: 3 years from successful completion of an assessment

Course aim

To conduct a multichoice test to demonstrate knowledge of how to work safely on site in a range of engineering and construction environments.

Pre-requisites

The candidate must be in possession of a valid CCNSG Safety Passport.

Course content

No course material is presented. This is a test only option, suitable for those who have continually maintained and demonstrated their knowledge in a practical setting since achieving the Safety Passport.
